

Dear Friends,

Thank you for helping us during our Great Thanksgiving Banquet! We are grateful for the team of volunteers who work together to make this night a blessing for so many people.

Arrival: Plan to arrive at Hope College DeVos Fieldhouse on Wednesday, November 2 between 4:00pm-5:00pm.

- Please carpool if possible. You may park in lots on the corner of 9th & Lincoln or on the north side of the DeVos in the lot on 9th Street or student lots west of Lincoln (11th Street parking lots will be for guests).
- Walk around the building to enter through the volunteer door on the south side of the building off 11th Street. There will be a volunteer entrance sign at the correct entrance.
- Once you come through the doors, sign in at the registration check-in tables.
- After checking in, please go to the dining room and check-in with your section leader.
- We will begin with final announcements at 5:15pm.

What to Wear: Beverage runners, buffet servers, and wait staff should wear white shirts and black (dark) bottoms.

- Please leave your valuables at home or locked in your car. We will be using the "Guest" locker room for coats of ushers and food servers.

Tasks: Buffet servers will be assigned a station at one of the six buffet lines. They will be plating dinners to be served in the dining room. Buffet servers can also help clear dining tables after dinner is served.
