

Dear Friends,

Thank you for helping us prepare for our Great Thanksgiving Banquet where we will make 120 turkeys and all the delicious side dishes for 1,512 guests! We are grateful for the team of volunteers who work behind the scenes to make this night a blessing for so many people.

Arrival: Plan to arrive at Hope College DeVos Fieldhouse on Wednesday, November 22 at 9:30am.

- Dessert cutting usually takes 3 hours.
- You may park in the 11th Street parking lot in the AM only. Please enter through the volunteer door on the south side of the building off 11th Street. There will be a volunteer entrance sign, so you can find the correct entrance. We will begin with instructions and then get started.

Tasks:

- Desserts should be cut and placed into individual serving pieces.
- Please be generous in your portion sizes (ex: one pie will be cut into 6-8 pieces).
- Cut and dish up the pies first, followed by bars, cupcakes, and cookies.
- These containers will then be placed at each table setting throughout the morning by volunteers.

- Any leftovers will be donated to the Gateway Mission homeless shelters.
