Child Care Lead Teacher

Gateway Mission

Gateway Mission serves as a first step toward a new life for homeless men, women and children across West Michigan.

We provide emergency services and long-term discipleship programs that offer help and lasting hope. This Christ-centered care helps our neighbors overcome the root issues of poverty, addiction and homelessness so they can rebuild their lives, from the inside out. Our desire is to help every person who walks through our doors experience lasting transformation . . .From broken to beautiful. From lost to loved. From hopeless to hopeful.

Gateway Mission is committed to seeing lives transformed through a relationship with Jesus Christ. It takes a team of dedicated men and women who have been called by Christ to accomplish this mission.

Gateway Mission Women & Children's Center/Child Care

Recognizing that lack of childcare is a significant barrier to moving forward for mothers with children, we offer childcare to participants in our Pathway and Gateway programs. Without childcare they often cannot get the help they need to overcome life's challenges.

Gateway Childcare was created to be a service to moms with children living in our shelter. We are a state-licensed childcare facility accepting children birth-12 years housed at Gateway Mission. Our mission is to provide children a loving, quality, learning environment that shows them the love of Christ. We are passionate about teaching each child not only the curriculum but about God's plan for their life and how to love one another as God loves us.
