

Dear Friends,

Thank you for helping us prepare for our Great Thanksgiving Banquet where we will make 200+ turkeys and all the delicious side dishes for 1,512 guests! We are grateful for the team of volunteers who work behind the scenes to make this night a blessing for so many people.

- Please arrive promptly at the Men's Ministry Center (166 S. River Ave, Holland, MI) at your designated time.
- You must wear closed-toe shoes to work in the kitchen. Also remove all jewelry (rings, bracelets, watches, earrings, etc.) prior to entering the building.
- We will provide you with an apron, latex gloves, and a hair net.
- Please park behind the Ministry Center off of 7th. Enter through the entrance to the left of the loading dock, which is off the parking lot.

If you have additional questions, please contact:
